Club days are monthly/run by members giving you access to trainers and providing a great opportunity to get together and socialise with your fellow club members, all members are encouraged to voice ideas for club days/training and must help accordingly; our website and Facebook Page is there to keep you informed of upcoming events. All breeds all disciplines are very welcome.

This includes keeping grounds clean & tidy when using them, picking up all poo, reporting any damages to Kim Weatherhead 0273295157 so that we can fix them in a timely fashion.
